CCO Ohio Director & Capital University Ministry with Mike & Beth Mattes

"If you have any encouragement from being united with Christ, if any comfort from his love, if any fellowship with the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and purpose."
- Philippians 2:1-2

A few short weeks ago I had the delight of calling CCO Campus Staff candidate, Hunter Goon, and extending to him an offer to start a new ministry with CCO in partnership with Riverside Alliance Church. Together we will transform lives at the University of Akron! Hunter and his wife, Rachel, are graduates of Liberty University and Hunter currently serves as a youth pastor in Lynchburg, Virginia. With his start date for later this spring, Hunter is the first CCO Ohio campus staff new hire of this year!

Hunter first learned about the CCO through his brother-in-law who was involved in the CCO ministry at Ohio State's Marion campus a few years ago. When he started to feel a call to college ministry in Ohio, he was reminded of that earlier conversation. God's providence has been clearly seen throughout the discernment process and Hunter's accepting the call to serve with the CCO. Please join us in praying for the University of Akron students whom God will put before us in this new ministry endeavor! **God is Good (All the Time)!**

Hunter is the first of a handful of offers I look forward to extending in 2015! We have a few other Ohio churches currently in the process of developing a college ministry with the CCO, and we are praying for God to both prepare the heart of the potential CCO campus staff workers as well as the hearts of students we will have the opportunity to reach with the Gospel of Jesus Christ. Please join with us and these potential new church partners in prayer for God's continued providence for CCO campus staff and students as we seek His work on the campuses of: Sinclair Community College, Kent State University, The Ohio State University, College of Wooster and University of Akron. Together these colleges have about 142,000 college students!

New CCO Ohio Campus Staff, Hunter Goon, and his wife, Rachel, will begin ministry with the CCO at University of Akron and in partnership with Riverside Alliance Church.
