

transforming college students
to transform the world

**CCO Ohio Director & Capital University Ministry
with Mike & Beth Mattes**

*"If you have any encouragement from being united with Christ, if any comfort from his love, if any fellowship with the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and purpose."
- Philippians 2:1-2*

"The Wacky Trio at Jubilee"

- Lewis,
Our Golden Retriever

Jubilee was once again a transformational experience in the lives of college students! We had about 3,000 in attendance at Jubilee, and **over 300 students representing 16 different colleges & universities from Ohio!** Jubilee had four large group sessions that took students through the Biblical narrative (Creation, Fall, Redemption, Restoration) and students were able to attend four of the 60 different workshops offered to learn and engage Christ's Lordship over every area of life! There are many great testimonies we can share with you about how students experienced Gospel transformation! God is good. (All the Time.) Here are three testimonies (more on our website):

"I didn't know what to expect going into the weekend. I liked how the speakers were able to bring God into our future careers. It was a great reminder that even in the everyday places (i.e. work), God is in the center of it all. I loved the worship and talking to other college students who are crazy about Jesus."
- Kalkidan, Capital University

"Honestly I feel like God showed me a lot of my own sin/shame/insecurity this weekend. Jubilee wasn't really about calling for me this year as much as it was a giving up, again, all the things that I try to do instead of letting Jesus in and letting Him heal."
- Billie, Ohio Wesleyan University

"May be the richest theological vision of any event I've been to... Well done."
- Jon Tyson,
Pastor @ Trinity Grace Church (NYC), Jubilee Speaker
